Conducător de doctorat: Cercetător științific II dr. habil. Ioana-Nicoleta Meleg

Tematica pentru concursul de admitere la doctorat, anul universitar 2026-2027

(loc bugetat fără bursă)

1. Comunitățile de organisme acvatice ca indicatori ai calității mediului, a funcționării și rezilienței ecosistemelor, în contextul schimbărilor climatice/ Aquatic communities as indicators of environmental quality, ecosystem functioning, and resilience in a changing climate
